The members brought in their campaign sheets and read them to the group. The members then did a silent vote for each chair position on the club's board. The votes were counted by Laura. The chairs were seated as such:

Secretary: Mariah
Treasurer: Izaiah
Recreation Officer: Damien
Reporter: Annie

Bazaar in 2 days, need to price baked goods, Laura has stickers or we can use the other tags or DIY. Members brought in goods as well as made an inventory of what was still coming. We established that the set up time was at 8:30/9am at our table.

Concert is Dec 17 @ 7pm. What to sell? Fire starters, would need mesh bags, pine cones, wax, fragrance, and maybe coloring, and some tags with BJ4H logo.

Laura ordered the banner and shirts, all are scheduled to arrive on the day before the Bazaar and shirts will be available to be passed out at the Bazaar.

Laura ordered gift wrapping supplies for the gift wrapping services we planned on for the Bazaar and the concert.

The members discussed how the gift wrapping prices should be determined
